Ambersbest

Richard Merrill, Stetson

My farm grows just about everything. We grow lettuce, carrots, tomatoes, peppers, cucumbers. We grow 7 different squash, potatoes, corn, cabbage. I have more to offer. And also beans.

We also do half bushels and full bushels of beets, pickling cukes and table cukes and also canning tomatoes at a reduced price. Give me a call to put in an order or stop at the farmers' market to put in an order.

My plan is to be there every Friday, Saturday and Sunday weather permitting, beginning in early August. 217-0395
WIC accepted.

Beddington Ridge Farm

Ron & Carol Varin, Beddington

From our garden to yours, we produce a wide variety of hardy field grown perennial flower and herb plants for home gardeners. We'll bring daylilies, irises, lupines, lavenders, bee balms, hostas, and many more! We'll also have annual cooking herb seedlings, tomato and pepper plants, a variety of berry jams and cut flowers. At the market Fridays mid May through late July 638-2664 brfarm@rivah.net www.beddingtonridgefarm.com

Chandler's Sugar Shack

Bob & Margie Chandler, Topsfield

Chandler's Sugar Shack produces pure maple syrup in northern Washington County, Maine. Our syrup is produced by collecting the sap of nearly 3000 maple trees and boiled in a wood fired evaporator at our sugar house in Kossuth Twp. Drawing from a background in forestry and engineering, our goal is to generate the highest quality maple products available. At the market on Fridays starting in mid June. bart@chandlerssugarshack.com www.chandlerssugarshack.com 796-2724

Green Thumb Greenhouse

Claire & Francis Wallace, Jonesboro

We have a large selection of hanging baskets, mixed planters, annual bedding plants, geraniums, vegetable seedlings & perennials. We will be at the MVFM seven days a week (if weather permits) starting May 1st. Check us out for Mother's Day and Memorial Day needs. 434-6611

Juskidden Acres

Linda & Ron Tapley, Wesley

Here at Juskidden Acres we grow most veggies, berries and a few apples. We like to try new varieties and plants each year so we never know what will be the next exciting item sprouting in our gardens. We enjoy the sounds of our goats playing as we work the soil. We use the milk to produce wonderful goat's milk soaps and lotions. Our hens are busy checking the grass for yummy bugs which means we also have eggs for sale. Please stop at the Machias Market and visit our booth on Fridays and Saturdays. We are looking forward to meeting you. 255-6412 or 952-0657 rtapley52@gmail.com or ltapley75@gmail.com

Meeting House Bakery

Beverly Spencer, Marion Township

Meeting House Bakery is a home enterprise baking pies, cookies, and breads, as well as some soups and seasonal jams. All goods are freshly made with local and seasonal fruits and vegetables as much as possible. No preservatives!

We'll be at the market June through September on Fridays and most Saturdays. Call in advance for any items on the menu. Available for delivery locally with 24 hour notice. 726-4414
